land category	percent of Northfield
state owned	19.5%
town owned	1.0%
chapter 61	30.2%
APR, CR	3.2%

* Chapter 61 provides temporary preservation of private land in return for lower property taxes. The landowner may remove the land from Chapter 61 by paying back some of the taxes.
Note: some chapter 61 parcels do not have a background color; others do, and these are also active farms or woodlots.

** APR (Agricultural Preservation Restriction) and CR (Conservation Restriction) provide permanent preservation of private land against commercial development; in return the landowner is paid the development value of the land.
