April 14, 2022

Location: Video Conference

Members Present: Bruce Kahn, chair; Barbara Lemoine, secretary; Linda Jacque, and Mary Mayshark-Stavely

Bruce called the meeting to order at 11:04 a.m.

Bruce had a request from John Root to use the funds from the previous grant cycle to provide the program in 2022. This delay was due to Covid. The Massachusetts Cultural Council does permit leniency at this time due to the pandemic. Barbara made the following motion:

Motion: To approve the extension for John Root's 2021 program to 2022.

This motion was seconded by Linda and unanimously approved.

The Pioneer Valley Regional School Band requested a change to their 2021 grant. Their previously approved New York City trip was cancelled due to Covid. They requested that those funds be used toward two other programs. Barbara made the following motion:

Motion: To approve the reallocation of funds approved for the Pioneer Valley Regional School trip to New York City to instead fund the MICCA festival at Belchertown High School on April 2, 2022 and the Trills and Thrills Festival on May 20, 2022.

This motion was seconded by Linda and unanimously approved.

Meeting adjourned at 11:12 a.m.
